

Tattersall's NEWS

Volume 3, No. 10

December, 1987

CHAIRMAN'S CHRISTMAS MESSAGE

Dear Fellow Members,

1987 has been an eventful year for all of us and rather like the curate's egg, "good in parts". However as the festive season approaches, your Committee looks forward with confidence to 1988, the Bicentennial Year. With your support, I am sure that it will prove to be a memorable year for Tattersall's Club. The Christmas activities this year will be held in the First Floor Bar on Tuesday and Wednesday, December 22 and 23, commencing at lunch time and shall continue through the cocktail party in the Club Room on Wednesday evening, December 23, commencing at 6pm. Members, Ladies and friends are all welcome on both days and for those members who have not joined in the "activities" before, why not plan to come to the club and perhaps bring your office staff along and give them the chance to win some wonderful gifts to use over the Christmas Season. Our next Race Meeting will be held at Randwick Race Course on Friday, January 1, 1988 and any Members who would like to attend the Members' Luncheon in the Tattersall's Room at Randwick on that day are invited to leave their names at the office. May I wish you all a very happy Christmas and a prosperous New Year and I also wish the Tattersall's Club staff all the very best for the Christmas Season. With kind regards,

David Dransfield.

EDITORIAL

The Committee points out that a trading improvement has been achieved without any deterioration in the nature and quality of services available to members.

The flow of new members may become a real flood in the coming 12 months if the proposals for redevelopment of the club site, with rehousing of the club on the site after rebuilding, go ahead as hoped.

In his circular recently the Treasurer stated that it was hoped to hold subscriptions to \$495 for 1988. He reminded members that any new members they introduced could still benefit from the waiver of the entrance fee.

This particular privilege is likely to disappear quickly once the future of the building is resolved and the Club's prospective move into a new building begins to attract large numbers of membership applications.

In the meantime, the Committee urges all members to use the Club as much as possible:

- ★ For drinks, lunch and dinner with friends;

New Reciprocal Club Penang Club

The committee is pleased to announce that the Penang Club, Penang, has been added to our distinguished list of overseas' clubs with which we have reciprocal arrangements.

Facilities include dining and bar areas, a fully equipped athletic department and a swimming pool, a squash court and a video room.

This club also has accommodation available for members and their families wishing to stay at the club.

Introduction cards for any of the overseas clubs may be obtained from the office.

- ★ For functions of any type and for any number from 10 to 250 guests — and particularly for Christmas parties at this time of year;
- ★ For entertaining friends at functions such as the Olympic Games Fund Raising Luncheon.

If we all take our entertaining and business hospitality functions to the club, the continued recovery of Tattersall's financial position will be assured.

DATES FOR YOUR DIARY

Christmas Splash on the Third Floor. December 17, 1pm.

Christmas Festivities. The club's traditional activities and competitions for Christmas fare will be held on Tuesday and Wednesday, December 22 and 23 this year.

Robert Stephen Toner, Barrister.

John Alexander Waters, Solicitor, McGuren Allen & Holt.

Peter Bruce Wilson, Solicitor, Taylor & Scott.

MELBOURNE CUP LUNCHEON

The Club's Melbourne Cup Luncheon proved a most successful innovation this year. Better than being in the Paddock at Flemington!

It was held in the Club Room with more than 130 members, ladies and guests present, and the running of the race shown live on a large projection television screen.

The first Tuesday in November has already been pencilled in for 1988, with confident predictions the luncheon will attract even more members who will want to see the event in the comfort of having a fine lunch on board, a comfortable chair to relax in, a glass of wine at hand and a TV Commentator's eye view while the race is run.

Great year for Snooker

Doug Jordan

George Mousally, who spent two weeks in St Vincent's Hospital, has recovered. We all welcome George's return to good health.

In 1987, Tattersall's Club team, led by Barry Cooper, was undefeated for the second consecutive year and again won the coveted shield for interclub competition.

Barry was also our most consistent competitor during the year, winning the 1987 Billiards Championship, and being runner-up in our mammoth Snooker Handicap. He also dead-heated for first in our Ansett-sponsored monthly pairs.

Phil Hase was brilliant in winning our Snooker Handicap.

John Hudson, our finest snooker player, won the Championship for the second consecutive year.

Lester Hill is to be congratulated on dead-heating with Barry Cooper in the Ansett Pairs.

By the time this appears, the Jack Chown Christmas Singles will have been decided. This event is another success story, with 50 nominations received.

Our thanks go to Ansett Airlines who have assured us of their continuing support in 1988. The competition, the Hayman Island Holiday pairs, begins in January and continues monthly for six months.

However, there are many people who by their work, sponsorship of events and support of our functions have made the 1987 Snooker and Billiards Year a great success, and I hope to acknowledge these contributions individually in the next edition of the newsletter, when there will be more space available.

Bowling Programme

Several bowling events recently have been washed out by rain, so that it is possible that not all events will be completed in time for our traditional trophy presentation at Double Bay on December 17.

However, there will be lots of friends present on that day for good bowls, and of course the Bowling Club distribution of turkeys.

In fact, Tim Anderson comments he has ordered 100 turkeys and expects a turn-up of about that number of bowling enthusiasts on the day.

Harbour Cruise

The Epicureans' Harbour cruise (see 'Dates for your diary') has been set for Sunday, March 13 with a limit of 50 people.

The cruise will visit the Maritime Museum and include a seafood meal and drinks aboard the "Leura". Cost is \$50 a person and the cruise will leave No 6 Circular Quay at 9.30am and Kirribilli at 9.45am.

The last cruise was fast booked out, so be quick if you want to join this one.

Donations Needed

The second monthly Dewar's Point Score has now been completed and the 80 yards events are attracting big fields on Thursdays with some good times being recorded.

On Friday, November 13, there was a good turn-out of about 60 swimming enthusiasts and friends in the Club Room to share a smorgasbord and watch the video of the Maui Channel Marathon Swim. Remember, the club team came second out of 80.

The Christmas Scramble will be held on Thursday, December 13 and in the same week, the third monthly point score will be completed with the Sam Block Event.

Sam was a super scrounger of donations for the Christmas Scramble, and once again, any donations for the scramble will be welcomed by Swimming Secretary, Alan Ball.

Handball notes

In Top Grade, nothing has changed. Off the mark, Bill Blakemore makes the reluctant dragon look like Alain Prost. He is to play Bob Hill and the winner goes in against Tony Baine for the Final.

In B Grade, David Castle has qualified for the Final by beating Gordon Salier in two hard fought games. He is to play Tony Salier who accounted for Phillip Biber by losing the first game 24/26 but outlasting Phillip to win the last two 21/18 and 21/13. Next year, Phillip!
